

EMCONEX MOBILE-PRIVACY POLICY

Emconex Mobile is provided by Richer Systems Group Inc. and its Affiliates (collectively, "RSG") to you as an authorized user of the Emconex Product ("Emconex") to whom access has been granted by a customer of RSG that has purchased Emconex for use from RSG (a "Customer").

By your use of Emconex Mobile, you authorize the Customer that has provided you with access to Emconex to collect, use, store and release any and all personal and other information that you provide through your use of Emconex Mobile or that is accessible from your use of Emconex Mobile, together with any and all personal and other information derived from such use, such as location-based information and camera and/or picture information, subject to any agreement between you and the Customer.

Furthermore, by your use of Emconex Mobile, you acknowledge and agree that Emconex Mobile is used simply as a means of accessing Emconex provided to you by a Customer of RSG and that RSG will not be responsible for, and is released from, any and all liability to you arising from the collection, use, storage, release or unauthorized use of personal and other information that you provide through your use of Emconex Mobile or that is accessible from your use of Emconex Mobile or that is derived from such use.
